<b>Summary of significant accounting policies</b>		
The significant accounting policies applied by Bond Savings and Loans Plc in the preparation of the financial statements are set out below		
<b>Functional and presentation currency</b>		
The financial statements are presented in Ghana Cedis [GHe], which is the functional and presentational currency of the company.		
<b>Foreign currency transactions</b>		
Monetary assets and liabilities denominated in foreign currencies are translated in cedis at the exchange rate ruling at the company's year end. Transactions denominated in foreign currencies are translated at the rates ruling at the dates of the transactions. All translation differences are dealt with in arriving at the operating result.		
<b>Property, plant and equipment</b>		
The company recognizes an item of property, plant and equipment as an asset when it is probable that future economic benefits will flow to it and the cost of the item can be measured reliably.		
Property, plant and equipment is stated at cost, net of accumulated depreciation and/or accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the income statement as incurred.		
Depreciation is calculated on a straight-line basis over the useful life of the asset. The current annual depreciation rates for each class of property, plant and equipment are as follows:		
Leasehold buildings and improvements		2%
Motor vehicles		25%
Office equipment		25%
Furniture and equipment		25%
