NOTES TO FINANCIAL STATEMENTS

1. Accounting Policies

The principal accounting policies adopted in the preparation of the Fund's financial statements are:

i) Valuation of investment

Securities listed on a stock exchange or traded on any other organized market are valued at the last available market price on the relevant valuation day.

Securities that are actively traded on the over-the-counter market are valued at the mean between the most recently quoted bid and offer prices provided by the principal brokers. Securities and assets for which market quotations are not readily available are valued at fair values as determined in good faith by or under the direction of the Board of Directors. Short-term debt securities having a maturity of ninety-one days or less are valued at amortised cost.

ii) Treatment of dividend income

The assets of the Fund include all dividend income. Dividends are accrued if the qualifying date falls within the year under review.

iii) Investment income

Interest income is recorded on an accrual basis.

iv) Investment transaction and investment income

Investment transactions on the Ghana Stock Exchange at the other African Stock Market are accounted for on the trade date. Transactions in stocks listed on the other African Stock Markets are translated at the transaction date to cedis. Realized gains and losses on the sale of investment securities are determined on the identified cost basis.

v) Foreign Currency

Assets and Liabilities denominated in foreign currency are translated into cedis at rates of exchange ruling at the date of the Statement of Assets and Liabilities.

vi) Bonus Shares

Bonus shares recognized when the right to holdings is established.
