## **STATEMENT BY THE CHAIRMAN**

### **INTRODUCTION:**

On behalf of the Board of Directors, I welcome you, distinguished shareholders to the eighth Annual General Meeting of your Company since its listing on the Ghana Stock Exchange in April 2002. I also welcome officials from the Ghana Stock Exchange, the Securities and Exchange Commission, Corporate Supporters, ladies and gentlemen of the press.

### **REVIEW OF OPERATIONS:**

The year 2010 was a challenging year for your Company. Your company strived to add new titles to its stock list. Seventeen (17) titles were added with the aim of increasing our product variety to support our open market sales. There was no order from the Ministry of Education for the 2010 financial year and final payments for books supplied in 2008 and 2009 were received towards the end of 2010 thereby putting severe pressure on the company's cash flows.

### **NEW TITLES:**

#### **Core textbooks:**

- Natural Science for Primary Schools Books 1 – 3
- Integrated Science for Primary Schools textbooks 4 – 6
- Integrated Science for Primary Schools Work books 4 – 6
- Elective Maths for SHS (co-published with AFRAM Publications)

#### **Supplementary textbooks:**

- Handwriting Books 1 – 3 (Revised)
- Science Glossary

#### **Fiction:**

- Some Popular Ananse Stories (revised)

#### **Pre-school books:**

- Nursery Rhymes Books 1 – 2

### **TURNOVER**

Turnover for the full year 2010 totalled GH¢421,022 compared with GH¢2,689,099 for 2009. The 2009 turnover includes an amount of GH¢2,408,352 in respect of a Ghana Government (MOE/GES) order. There was however no such order in 2010. Accordingly, like for like turnover (without government order) is GH¢421,022 for 2010, compared with GH¢280,747 for 2009 representing an increase of 49.65%. This means the open market (non-Government) sales for the year 2010 improved by 49.65% over the previous year.

### **OPERATING RESULTS**

The full year ended 31<sup>st</sup> December 2010 recorded a loss of GHC326,504 compared to a profit of GHC 313,655 for 2009. In addition to the absence of the MOE tender in 2010 the company contracted expensive short term funding to fund its operations and to pay short term liabilities due to delayed receipt of funds from the MOE/GES which had been outstanding for over 2 years. This cumulatively contributed to the loss in the year.

**DIVIDEND 2010:**

Due to the loss recorded in the year and the resultant reduction in the income surplus, the directors did not consider it fit and proper to propose dividend payment. We are however hopeful that should performance improve in 2011, your directors will not hesitate to propose the payment of an interim dividend.

**OUTLOOK FOR 2011:**

The Company continues to increase the range of its book list titles with a view to boosting its open market sales. A number of new titles will be added in course of the year and in time for the book season. The company is also in discussions with potential partners with a view to strengthening its printing capacity. This has the potential of bringing in additional revenue as well as improved margins since the printing of books will be done internally/locally. Your company is also exploring strategic alliances with other local/foreign publishers to co-publish some titles especially in the area of books/titles for the schools. This reduces the burden and cost of new books/titles book development on your company. Though the year 2011 will have its challenges, management remains optimistic about your company's prospects in view of the measures and strategies being adopted.

**NEW BOOK DEVELOPMENT:**

New titles developed for sale in the year 2011 include:

- 12 fiction and non fiction Readers
- 6 Textbooks for Junior High Schools
- 3 pre-school books.
- 1 textbook for Senior High School

In addition to the new titles, manuscripts are also being developed for Senior High School textbooks in line with the current syllabi in preparation for any future procurement of textbooks by MOE.

**RE-APPOINTMENTS:**

In accordance with company's regulations required by the Company's code, 1963 Act 179, the Board recommends to you for reappointment. Ms. Pamela Aba Woode and Kwesi Sam-Woode who retire by rotation and being eligible have expressed their willingness to continue to serve on the Board.

**STAFF:**

On behalf of the shareholders and on my own. I wish to express our appreciation to our staff who have continued to be with the company through these difficult times.

**CONCLUSION**

On behalf of the Board of Directors, I express my gratitude to you our esteemed shareholders for the support and confidence you have placed in us.

Thank you.

**Mr. Kwesi Sam-Woode**  
(Chairman)

**THE AUDIT SUB-COMMITTEE'S SUMMARY REPORT FOR THE  
FINANCIAL YEAR ENDED 31<sup>st</sup> DECEMBER 2010 TO  
SHAREHOLDERS OF SWL.**

This is the report of the Board Audit Sub-Committee for the period 1<sup>st</sup> January through to 31<sup>st</sup> December 2010.

There was no change in the objects of the Company during the year under review.

The Audit Sub-Committee held six meetings during this period. The meetings reviewed your company's financial performance and other key operational and strategic decisions. The Committee also interacted with the external auditors to ensure that there are appropriate controls in place to safeguard your company's assets.

**Draft Audited Accounts for 2010**

The draft financial statements for the year ended December 31<sup>st</sup> 2010 were reviewed and discussed in detail and recommendations made to the full Board for consideration.

**Management Accounts**

The committee during 2010 also reviewed and considered the quarterly management accounts and financial statements – quarter 4 2009; and quarters 1 to 3 2010 – and made recommendations for the consideration and approval of the full Board and also before the accounts were submitted to the regulatory authorities

**2010 Dividend**

Based on the financial performance of the company for the period ended 31<sup>st</sup> December 2010, the committee recommended for the Board's consideration and subsequent recommendation to shareholders the non-payment of dividend for the 2010 financial year. This is in view of the loss made which significantly eroded the income surplus position of your company.

**2011 Annual Budget**

The committee reviewed management assumptions underlying its 2011 budget and made appropriate recommendations for consideration by management in implementation.

**Conclusion**

On behalf of members of the committee and on my on behalf, I would like to thank the board members (who are not represented on the committee) and management for the support and cooperation during our deliberations and solicit their continued support.

**JACOB KHOLI**  
(NON-EXECUTIVE DIRECTOR)  
CHAIRMAN  
31<sup>st</sup> March 2011

**REPORT OF THE DIRECTORS  
TO THE MEMBERS OF  
SAM –WOODE LIMITED**

The Directors of the company have pleasure in submitting their annual report together with the Audited Financial Statements for the year ended December 31, 2010.

**DIRECTORS' RESPONSIBILITY**

As directors of the company, we are responsible under the Companies Code 1963 (Act 179) for preparing in respect of each financial year, financial statements which give a true and fair view of the state of affairs of the company, and of its Profit or Loss and Cash Flows for that year in accordance with Accounting Standards acceptable in Ghana. In preparing these financial statements we are required to select suitable accounting policies and apply them consistently, make judgments and estimates that are reasonable and prudent.

As directors, we are responsible for keeping proper books of accounts which disclose with reasonable accuracy at any time the financial position of the company. We are also responsible for safeguarding the assets of the company and taking reasonable steps for the prevention and detection of fraud and other irregularity.

To enable the board to discharge its responsibilities, management has developed and continues to maintain a system of internal controls. The board has ultimate responsibility for the system of internal controls and reviews its operation on an ongoing basis. The internal controls include a system of internal accounting and administrative controls designed to provide reasonable but not absolute assurance that assets are safeguarded and that transactions are executed and recorded in accordance with generally accepted business practices and the Company's policies and procedures.

**NATURE OF BUSINESS AND STANDARDS OF ACCOUNTING**

There was no change in the nature of business of the company during the year under review.

**FINANCIAL RESULTS AND DIVIDEND**

The results for the year are as set out in the attached detailed Financial Statements on pages 11 to 14 and summarized below:

	<b>2010</b>	<b>2009</b>
	<b>GH¢</b>	<b>GH¢</b>
Profit ( Loss) before tax for the year	(326,504)	420,372
From which is deducted a tax charge of	-	(106,717)
	-----	-----
Resulting in a Profit after tax of	(326,504)	313,655
To which must be added the balance brought forward on the Income Surplus Account at the beginning of the year of	568,322	368,807
	-----	-----
Leaving a balance From which the following transfers were made:	241,818	682,462
• Transfer to Research Fund	-	(5,000)
• 2009 Dividends at GH¢0.0060 per Share(2008:Gh¢0.0050)	(130,968)	(109,140)
	-----	-----
Leaving a balance on the Income Surplus Account To be Carried Forward of	<b>110,850</b>	<b>568,322</b>
	=====	=====

The directors do not recommend the payment of dividend for the year (**2009**: GH¢0.0060 per share).

**SAM –WOODE LIMITED**

**REPORT OF THE DIRECTORS CONT'D**

**DIRECTORS**

In accordance with Section 298 of the Companies Code 1963 (Act 179), the following Directors retire by rotation and being eligible offer themselves for re-election. They are

- 1. Kwesi Sam-Woode
- 2. Pamela Aba Woode

**EXTERNAL AUDITORS**

Your external Auditors, Messrs Nexia Debrah & Co have indicated their willingness to continue in office as External Auditors of the Company and in accordance with section 134(5) of the Companies Code, 1963 (Act 179), we recommend their continued appointment.

 ACCRA.

**March 31, 2011.**

## **REPORT OF THE AUDITORS TO THE MEMBERS OF SAM WOODE LIMITED**

We have audited the financial statements on pages 11 to 24. These financial statements comprise the Balance Sheet as at 31<sup>st</sup> December 2010, the Profit and Loss Account, the Statement of Changes in Equity and Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory notes set out on pages 16 to 25. We report in terms of the provisions of the Companies Code 1963 (Act 179).

Our report is made solely to the company's members, as a body, in accordance with section 133 of the Companies Code 1963 (Act 179). The purpose of our audit is to enable us to make a statement to the members of the company on those matters specifically required by law to be mentioned in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and its members as a body for our audit work, our report, or the opinions we have expressed herein.

### **DIRECTORS' RESPONSIBILITY FOR THE FINANCIAL STATEMENTS**

As stated on page 7, the directors are responsible for the preparation and fair presentation of these financial statements in accordance with Accounting Standards acceptable in Ghana and the requirements of the Ghana Companies Code, 1963 (Act 179). This responsibility includes designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

### **AUDITORS' RESPONSIBILITY AND BASIS OF OPINION**

Our responsibility is to express an independent opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those Standards require that we comply with ethical requirements and plan and perform our audit to obtain reasonable assurance that the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence relating to the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's processes of preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose for expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**AUDITORS' REPORT CONT'D****OPINION**

In our opinion, the financial statements give a true and fair view of the financial position of Sam Woode Limited at 31 December 2010, and of its financial performance and cash flows for the year then ended in accordance with the International Financial Reporting Standards and in the manner required by the Companies Code, 1963 (Act 179) of Ghana.

**Report On Other Legal Requirements**

- (a) Under the Companies Code 1963 (Act 179) we are required, when carrying out our audit, to consider and report on the following matters.
- 1) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - 2) in our opinion proper books of account have been kept by the Company, as far as appears from our examination of those books; and
  - 3) the Company's balance sheet and profit and loss account are in agreement with the books of account.

**SAM-WOODE LIMITED**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2010.**

**1. ACCOUNTING POLICIES**

**Reporting Entity**

Sam - Woode Limited is incorporated in Ghana under the Companies Code 1963 (Act 179), and is domiciled in Ghana. The company is an educational publisher, printing and selling educational books and material.

**a. Basis of Accounting**

The financial statements have been prepared in accordance with International Financial Reporting Standards (and its interpretations adopted by the International Accounting Standards Board (IASB)) under the historical cost convention except as disclosed in the accounting policies below.

The preparation of financial statements under IFRS requires the use of certain critical accounting estimates, and also requires management to exercise judgment in the process of applying the Company's accounting policies. The areas involving a higher degree of judgement, or where assumptions and estimates are significant to the financial statements, are disclosed in Note 1m below.

**b. Property, Plant and Equipment**

*Owned assets*

Items of property, plant and equipment are stated at historical cost (as modified by the revaluation of certain fixed assets) less accumulated depreciation and impairment losses.

Where parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment.

*Leased assets*

Leases in terms of which the company assumes in substance all the risks and rewards of ownership are classified as finance lease. The property acquired by way of finance lease is stated at an amount equal to the lower of its fair value and the present value of the minimum lease payments at inception of the lease, less accumulated depreciation and impairment losses.

Finance lease is in respect of the acquisition of one Motor Vehicle in 2007.

*Depreciation*

Depreciation is calculated on a straight – line basis to write off the cost of each asset, or its revalued amounts, to their residual values over their estimated useful lives as follows:

Plant and Machinery	10%
Furniture and Fittings	20%
Motor Vehicle	25%
Literary Property Copyright	10%
Office Equipment	20%

## SAM-WOODE LIMITED

Library Books	50%
Loose Tools	50%

Where the carrying amount of an asset is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount. Gains and losses on disposals are determined by comparing proceeds with carrying amounts and are included in other income.

### *Subsequent costs*

The company recognises in the carrying amount of an item of property, plant and equipment the cost of replacing part of such an item when incurred, if it is probable that the future economic benefits expected from the item will flow to the company and the cost of the item can be measured reliably. All other costs when incurred are recognised in the income statement as an expense.

### **c. Inventories**

Raw materials are valued at the lower of cost and net realisable value on the weighted average basis, and include costs incurred in acquiring the inventories and bringing them to their existing location and condition.

Work-in-progress comprises materials in the process of being converted from raw materials to finished goods. Work-in-progress is valued at the lower of cost and net realisable value on the weighted average basis. Cost includes all production overheads and the attributable proportion of indirect overhead expenses.

Finished Inventories are stated at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of bringing the inventories to their saleable condition.

### **d. Trade and Other Receivables**

Trade and other receivables are recognised and recorded at cost less any provision for impairment. A provision for impairment is made on a case by case basis when there is any evidence that the amount due will not be fully recovered at the original terms.

### **e Cash and Cash Equivalents**

Cash and cash equivalents comprise cash balances and call deposits and other short-term highly liquid investments. Bank overdrafts that are repayable on demand and form an integral part of the company's cash management are included as a component of cash and cash equivalents for the purposes of the statement of cash flows.

### **f Foreign Currencies**

The Company uses the Ghana Cedi (GH¢) both as a functional currency and the presentational currency. Transactions denominated in foreign currencies are translated into Ghana Cedis (GH¢) at the exchange rates ruling at the dates of transaction. Monetary Assets and Liabilities denominated in foreign currencies at the Balance Sheet date are translated into Ghana Cedis (GH¢) at the exchange rates ruling at that date.

## SAM-WOODE LIMITED

### **g Trade and Other Payables**

Trade and other payables are stated at cost.

### **h Income Tax**

Income tax comprises current tax and is the expected tax payable on the taxable income for the year, using tax rates enacted at the balance sheet date and any adjustment to tax payable in respect of previous years.

### **i Provisions**

A provision is recognised in the balance sheet when a legal or constructive obligation as a result of a past transaction or event exist at the balance sheet date and the amount of the obligation can be reliably estimated and also probable that an outflow of economic resource will be required to settle the obligation. If the effect is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

### **j Short-term Employee Benefits**

The cost of all short term employee benefits is recognised during the period in which the employee renders the related service. The provisions for employee entitlements to wages, salaries, annual and sick leave represent the amount which the company has a present obligation to pay as a result of employees' services provided to the balance sheet date.

The Company contributes 13.5% of qualifying employee costs to the Social Security and National Insurance Trust (SSNIT) and the contribution is charged to the Profit and Loss Account as part of total Employee Benefit. The Trust is a creation of law and managed by the Government of Ghana.

### **k Revenue Recognition**

Revenue is recognised in the income statement when the significant risks and rewards of ownership have been transferred to the buyer excluding Value Added Tax where applicable. Revenue is recognised upon dispatch of the products and acceptance by the customer.

No revenue is recognised if there are significant uncertainties regarding, (1) the recovery of the consideration due, (2) associated costs, (3) the possible return of goods or (4) the continuing management involvement with goods.

Other revenues earned by the Company are recognised on the following bases:

- Copyright Sales – on an accrual basis
- Investment income – when the Company's right to receive payment is established

### **l Interest-Bearing Borrowings**

Interest-bearing borrowings are recognised initially at fair value less attributable transaction costs.

## SAM-WOODE LIMITED

Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost with any difference between cost and redemption value being recognised in the income statement over the period of the borrowings on an effective interest basis.

### m Critical Accounting Estimates and Judgements

Estimates and judgement are continually made and evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

#### Property, Plant and Equipment

Critical estimates are made by the Directors in determining depreciation rates for property, plant and equipment. The rates used are set out in note 1b.

#### Income Taxes

Significant judgement is required in determining the provision for income taxes. There are many transactions and calculations for which the ultimate tax determination is uncertain during the course of business. The company recognises liabilities for tax based on estimates of whether additional taxes will be due. Where the final outcome of these matters are different from the amounts that were initially recorded, such differences will impact the income tax and deferred income tax provisions in the period in which such determination is made.
