STATEMENT OF TRUSTEES RESPONSIBILITIES

The Trust Deed requires the Trustees to prepare financial statements for each financial period, which gives a true and fair view of the state of affairs of the HFC Future Plan Trust. In Preparing the financial statements, the Trustees are required to:

1. Select suitable accounting policies and apply them consistently
2. Make judgments and estimates that are responsible and prudent
3. State whether applicable accounting standards have been followed, subject to any material departures, disclosed and explain them in the financial statements and
4. Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the investment Trust will continue in business.

The Trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the HFC Future Plan Trust, which will ensure that the financial statements comply with the Trust Deed and Securities Industry Act, 2016 (Act 929). They are also responsible for safeguarding the assets of the Investment Trust and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The statements should be read in conjunction with the statement of the Auditors' responsibilities as set out on page 11, the respective responsibilities of the Trustees and the Auditors in relation to the financial statements.

REPORT OF THE TRUSTEES TO THE UNIT HOLDERS OF HFC FUTURE PLAN TRUST

In our opinion, according to the information made available to us and the explanations provided, we confirm that in all material respects, the manager has managed the scheme during the year covered by these financial statements in accordance with the Trust Deed dated 6th October, 2008 and all regulations for the time being in force under the Unit Trust and Mutual Funds Regulations, 2001, (L.I. 1695).

A handwritten signature in black ink, appearing to be 'M. A. B.', is positioned above the date.

HFC FUTURE PLAN TRUST FUND MANAGER'S REPORT FOR THE YEAR ENDED 31 DECEMBER 2017

Ghanaian Economic Overview

The Ghanaian economy grew to 7.90% in 2017 from 3.6% in 2016. In the year under review, prices of Ghana's export commodities on the international market recorded mixed performance. For instance, crude oil prices increased the most as a result of geopolitical tensions, supply constraints and strong demand. Gold prices rose higher than anticipated, however, cocoa prices were low due to excess supply across the West African sub-region. Economic activity has been robust and investor confidence remained high throughout 2017, on the back of positive sentiments on growth prospects, realization of business expectations and general improvements in the economy.

Brief Highlights of Key Macroeconomic Indicators

Exchange Rate: The cedi depreciated by 5.13% against the US dollar, 19.38% against the euro, and 14.83% against the pound sterling.

Interest Rates: Interest rates on GOG papers saw significant drop in 2017. The treasury yields on the 91-day, 182-day and 1-Year note dropped from 16.43%, 17.64% and 21.0% in 2016 to 13.35%, 13.88% and 15.0% in 2017 respectively. The monetary Policy rate also trended downwards from 25.50% in 2016 to 20.00% at the end of 2017.

Inflation: Consumer Price Index declined from 15.4 percent in December 2016 to 11.8 percent in December 2017 on the back of dampening inflation pressures which was mainly attributed to non-food components of the consumer basket. This notable decline was however above the government's 2017 inflation target of 11.2%.

Stock Market Performance: The benchmark GSE CI returned 52.7% in 2017 after recording losses for two consecutive years. The solid performance/recovery of the market was fueled by investor confidence and expectations that ongoing economic recovery would positively shape the performance of listed companies. With regards to trading activities, a total volume of 321.34 billion shares worth GH¢515.12 million were traded in 2017 as against 237.08 million shares valued at GH¢241 million in 2016.

FUND PERFORMANCE

The fund value increased from GH¢5.73 million in 2016 to GH¢9.61million in 2017 representing a year on year growth of 68%. The fund returned 24.06% in 2017 as against the 18.55% recorded in 2016. This improved performance is mainly due to the recovery of the stock market and our sterling fund management strategies.

PORTFOLIO REVIEW AND ASSET MIX

The portfolio mix at the year-end showed a rebalanced position of assets with allocations as follows; 57.31% in money market, 35.62% in equities, 4.21% in bonds and the remaining 2.86% in cash/cash equivalents.

Given the stock market rebound in the year under review, your Fund Manager increased asset allocation to equities whilst reducing allocation to the money market due to declining interest rates. As active portfolio managers, our rebalancing was necessitated by changes in market conditions with the objective of growing your fund with quality assets in order to optimize your risk-adjusted returns.

FUND STRATEGY FOR 2018

We reiterate our commitment to considerably grow the fund this year. We shall take advantage of opportunities in the stock market and the secondary market to achieve this aim. We shall monitor the changes in the investment climate and rebalance the portfolio to give optimal returns to our unitholders.

OUTLOOK FOR 2018

We expect the general ongoing economic recovery to continue in the same trajectory as business and investor confidence in the economy remains high, the likelihood of increased oil production after the ITLOS ruling in favour of Ghana, ability of government to sustain stabilization programmes amongst others. With World Bank's projection that the Ghanaian economy is likely to grow by 8.3%, we expect the economic activity to be vibrant and robust. We expect earnings growth on the stock market to remain robust on the back of the ongoing economic recovery, improved earnings, low inflations and low interest rates.

We re-echo our commitment to invest only in quality assets for the fund by taking advantage of strategic investment opportunities to grow the fund to your satisfaction. We urge you to continue to invest in the fund so you can enjoy the benefits of this economic turnaround.

Thank you for the continued patronage. It is well appreciated.

Opinion

We have audited the financial statements of HFC Future Plan Trust which comprise the statement of financial position as at December 31, 2017, and the income and distribution account and statement of movement in net assets and issued units for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and explanatory notes as set out on pages 13 to 30.

In our opinion, the financial statements give a true and fair view of the financial position of HFC Future Plan Trust as at December 31, 2017 and of its financial performance and its statement of movement in net assets for the year then ended and are in accordance with International Financial Reporting Standards and in the manner required by Equity Trust and Mutual Funds Regulations, 2001, (L.I. 1695) and the Companies Act, 1963 (Act 179).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are independent of the Trust in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

INDEPENDENT AUDITOR'S REPORT TO THE UNIT HOLDERS OF HFC FUTURE PLAN TRUST

Responsibilities of the Trustees for the Financial Statements

The Trustees are responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards and for such internal controls as the Trustees determines are necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intends to liquidate the Trust or to cease operations, or has no realistic alternative but to do so. The Trustees are responsible for overseeing the Trust's financial reporting process.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustees.

Conclude on the appropriateness of the Trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustees.
- Conclude on the appropriateness of the Trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty

INDEPENDENT AUDITOR'S REPORT TO THE UNIT HOLDERS OF HFC FUTURE PLAN TRUST

exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with the Trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Key Audit Matters

In accordance with ISAs, this part of our report is intended to describe the matters communicated with those charged with governance that we have determined, in our professional judgement, were most significant in the audit of the financial statements. We have determined that, there are no matters to report under key audit matters.

Report on Other Legal and Regulatory Requirements

The Companies Act, 1963, (Act 179) requires that in carrying out our audit we consider and report to you on the following matters. We confirm that:

- We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- In our opinion proper books of accounts have been kept by the Trust, so far as appears from our examination of those books, and
- The Trust's Statement of Assets and Liabilities and Income and Distribution Account are in agreement with the books of accounts

HFC FUTURE PLAN TRUST ADMISSION FORM

Annual General Meeting to be held at the Osu Presby Church Hall, Accra at 9:00am on Wednesday 30th May 2018.

A Unitholder who is unable to attend an Annual General Meeting (AGM) is allowed to vote by proxy. The Proxy form on the next page has been prepared to enable you to exercise your right to vote in case you cannot personally attend the meeting.

Provision has been made on the form for the Chairman of the meeting to act as your proxy, but if you wish, you may insist in the blank space on the form (marked**) the name of any person whether a Unitholder or not, who will attend the meeting and vote on your behalf instead of the Chairman of the Meeting.

Please sign the proxy form on the next page and post it so as to reach the address in the front not later than 30th May 2018.

If executed by a Body Corporate, the proxy form should bear its common seal or be signed on behalf by a director.

IMPORTANT:

- a) The name of the Unitholder must be written in BLOCK LETTERS on the Proxy form where marked (**)
- b) This admission form must be produced by the Unitholder or his/her proxy in order to obtain admission to the Annual General Meeting.
- c) Unitholders or their Proxies are requested to sign the admission form before attending the meeting.
- d) In case of joint holders, each joint holder should sign.
