3. That the Fund Manager be and is hereby authorized to fix the remuneration of the Company's Auditors for the Financial Year 2019.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The Trust Deed requires the Trustees to prepare financial statements for each financial period, which gives a true and fair view of the state of affairs of the Republic Equity Trust. In Preparing the financial statements, the Trustees are required to:

1. Select suitable accounting policies and apply them consistently
2. Make judgements and estimates that are responsible and prudent
3. State whether applicable accounting standards have been followed, subject to any material departures, disclosed and explain them in the financial statements and
4. Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the investment Trust will continue in business.

The Trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Republic Equity Trust, which will ensure that the financial statements comply with the Trust Deed and Securities Industry Act, 2016 (Act 929). They are also responsible for safeguarding the assets of the Investment Trust and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The statements should be read in conjunction with the statement of the Auditors' responsibilities as set on page 15, the respective responsibilities of the Trustees and the Auditors in relation to the financial statements.

REPORT OF THE TRUSTEES TO THE UNIT HOLDERS OF REPUBLIC EQUITY TRUST

In our opinion, according to the information made available to us and the explanations provided, we confirm that in all material respects, the manager has managed the scheme during the year covered by these financial statements in accordance with the Trust Deed dated 1st December, 2005 and all regulations for the time being in force under the Unit Trust and Mutual Funds Regulations, 2001, (L.I. 1695).

Republic Equity Trust Report for 31st December 2018

Ghanaian Economic Review

The Ghanaian economy generally contracted over the period under review. Whereas the economy grew by 7.9% in 2017, GDP growth recorded for the period under review was 5.6%. Particularly notable for the year was the significant impact of the financial sector reforms on business and consumer confidence. The resulting banking sector cleanup and the recapitalization left 23 resilient and well capitalized banks to provide the necessary financial intermediation for economic growth.

Highlight of Key Economic Indicators

Exchange rate

The Ghana Cedi was very volatile in the year under review as a result of increased domestic demand pressures and the strengthening of the US Dollar. The Cedi lost ground to all major trading currencies in 2018. Cumulatively, the Cedi depreciated by 8.4 percent in 2018, compared to the 4.9 percent depreciation in 2017. Depreciation against the Pound and the Euro were 3.3 percent and 3.9 percent respectively. The depreciation was however moderate relative to the 12.9 percent and 16.2 percent depreciation in 2017 for the Pound and Euro respectively.

Interest rates

On the interest rate front, the 91-day Treasury bill opened the year at 13.3 percent but closed the year at 14.6 percent. Similarly, the 182-day treasury instrument started the year at a rate of 13.8 percent but closed the year higher at 15.1 percent. The 1- year note also saw a marginal rise from 15 percent to 15.5 percent by close of year.

Inflation

Largely as a result of the monetary policies being pursued, headline inflation took a nosedive from 11.8 percent in December 2017 to 9.4 percent in December 2018.

Republic Equity Trust Report for 31st December 2018 (cont'd)

Stock Market Performance

Having ended 2017 with a notable yield of 52.73%, the stock market began 2018 quite well until the middle of May 2018 when it began a downward spiral. MTN Ghana successfully undertook an initial public offering (IPO) raising GH¢1.14 billion.

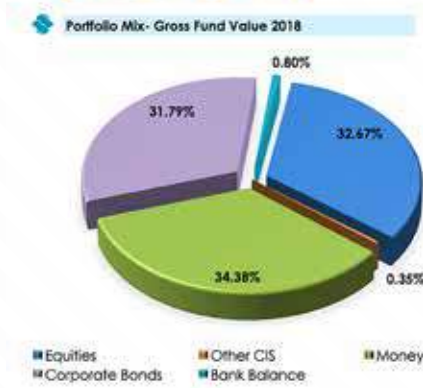

Overall, the composite index returned a negative 0.29% over the period under review. Uncertainties surrounding the banking sector reforms and the non-declaration of dividends by all financial stocks—except GCB Bank—in their quest to meet the minimum capital requirement did not help the trajectory of the market. Market capitalization increased by 4% primarily due to the MTN Ghana IPO. In the year under review, African Champion Industry was compulsorily delisted from the GSE in October 2018. The bourse also witnessed a number of corporate actions by listed companies in the form of Rights Issues. These included ADB, Republic Bank and Societe-General Ghana.

Fund Performance

The year 2018 was a difficult one for the entire financial services industry following reforms in the Securities Industry as well as the banking sector. This saw the collapse of some banks, the withdrawal of some bank licenses, as well as some mergers. Indeed the bear market witnessed for a greater part of 2018, perhaps as a result of the happenings in the financial sector, did not aid the performance of the fund. Whereas the Ghana Stock Exchange Composite Index managed a negative 0.29%, your fund ended the year with a positive return of 0.53%. A 5-year performance assessment positions your fund favorably at 12.33% against the Composite Index of 6.15%. The fund value of the Equity Trust grew from GH¢9.67million in 2017 to end the year 2018 at GH¢14.20million. This change represents a year-on-year growth in fund value of 46.85%.

HIGHLIGHTS OF FUND STATISTICS

Portfolio Review and Asset Mix

The downward trend assumed by the stock market with no visibility of immediate recovery led your fund manager to rebalance the portfolio in order to avert potential capital losses. As at the reporting date, equities constituted 32.67% of the portfolio, bank deposits pegged at 34.38%, bonds at 31.79%, with the remaining allocations being 0.35% and 0.80% in collective investments schemes and cash/cash equivalents, respectively.

Fund Strategy for 2019

While the long term perspective of the capital market remains positive, our immediate view is one of a prolonged duration for a turnaround. The portfolio will be skewed appropriately to reflect market trends. We shall continue to monitor happenings on the stock market for potential re-alignment of the equity portion for optimal returns to you, our cherished investors.

Outlook for 2019

The Ghanaian economy is projected to grow at a rate of 6.7% in 2019 by the World Bank. The banking sector reforms have contributed to making the sector relatively resilient to support economic growth. Strong economic growth would boost the earnings of most corporate institutions and improve the metrics by which the listed companies are assessed. This will ultimately improve the performance of the Ghanaian bourse. Republic Equity Trust, has a solid history of performance. We therefore encourage you to continue investing in the fund, while encouraging others to do same, primarily as a means to diversify individual portfolio holdings and reap the benefits associated with a well-diversified portfolio. We are committed to prudently investing your funds in financial assets that would provide optimal returns. You have been part of our success story and we appreciate the confidence reposed in us. Thank you.

INDEPENDENT AUDITOR'S REPORT TO THE UNIT HOLDERS OF REPUBLIC EQUITY TRUST

Opinion

We have audited the financial statements of Republic Equity Trust which comprise the statement of financial position as at December 31, 2018, and the income and distribution account and statement of movement in net assets and issued units for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and explanatory notes as set out on pages 25 and 26.

In our opinion, the financial statements give a true and fair view of the financial position of Republic Equity Trust as at December 31, 2018 and of its financial performance and its cash flows for the year then ended and are in accordance with International Financial Reporting Standards and in the manner required by Equity Trust and Mutual Funds Regulations, 2001, (L.I. 1695) and the Companies Act, 1963 (Act 179).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are independent of the Trust in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

INDEPENDENT AUDITOR'S REPORT TO THE UNIT HOLDERS OF REPUBLIC EQUITY TRUST (cont'd)

Responsibilities of the Trustees for the Financial Statements

The Trustees are responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards and for such internal control as the Trustees determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intends to liquidate the Trust or to cease operations, or has no realistic alternative but to do so. The Trustees are responsible for overseeing the Trust's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

INDEPENDENT AUDITOR'S REPORT TO THE UNIT HOLDERS OF REPUBLIC EQUITY TRUST (cont'd)

- ▼ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ▼ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.
- ▼ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustees.
- ▼ Conclude on the appropriateness of the Trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.
- ▼ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

INDEPENDENT AUDITOR'S REPORT TO THE UNIT HOLDERS OF REPUBLIC EQUITY TRUST (cont'd)

We communicate with the Trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Key Audit Matters

In accordance with ISAs, this part of our report is intended to describe the matters communicated with those charged with governance that we have determined, in our professional judgement, were most significant in the audit of the financial statements. We have determined that, there are no matters to report under key audit matters.

Report on Other Legal and Regulatory Requirements

The Companies Act, 1963, (Act 179) requires that in carrying out our audit we consider and report to you on the following matters. We confirm that:

- ▼ We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- ▼ In our opinion proper books of accounts have been kept by the Trust, so far as appears from our examination of those books, and
- ▼ The Trust's Statement of Assets and Liabilities and Income and Distribution Account are in agreement with the books of accounts

REPUBLIC EQUITY TRUST

ADMISSION FORM

Annual General Meeting to be held at the Osu Presby Church Hall, Accra at 10:00 am on Wednesday 10th July, 2019.

A Unitholder who is unable to attend an Annual General Meeting (AGM) is allowed to vote by proxy. The Proxy form on the next page has been prepared to enable you to exercise your right to vote in case you cannot personally attend the meeting.

Provision has been made on the form for the Chairman of the meeting to act as your proxy, but if you wish, you may insist in the blank space on the form (marked**) the name of any person whether a Unitholder or not, who will attend the meeting and vote on your behalf instead of the Chairman of the Meeting.

Please sign the proxy form on the next page and post it so as to reach the address in the front not later than 10th July 2019.

If executed by a Body Corporate, the proxy form should bear its common seal or be signed on behalf by a director.

IMPORTANT:

- a. The name of the Unitholder must be written in BLOCK LETTERS on the Proxy form where marked (**)
- b. This admission form must be produced by the Unitholder or his/her proxy in order to obtain admission to the Annual General Meeting.
- c. Unitholders or their Proxies are requested to sign the admission form before attending the meeting.
- d. In case of joint holders, each joint holder should sign.
