## Investment Objective

The EDC Ghana Balanced Fund seeks to provide capital appreciation and long term income. The fund management style has a growth bias and seeks to deliver superior risk adjusted returns and a consistent income stream over the medium term. The Fund's objective is to outperform its benchmark (50% Ghana Stock Exchange Composite Index + 50% Government of Ghana 1-year Treasury Note) net of fees while preserving investors' wealth in the medium to long term.

## Strategy

The EDC Ghana Balanced Fund is a medium to long term investment vehicle and may be subjected to short term market volatility. However, over the long term, the fund seeks to outperform its benchmark.

50% of the Fund's net assets shall be invested in fixed income securities and the residual 50% in equities with a rebalancing range of +/- 20% for either asset class.
